Part I. Linking to HCC Library E-Reserves

Part II. Linking to Full Text Library Database Articles

E-reserves

http://

Bb

Instructional Development Center
Heartland Community College

Note: Students will need a Library ID Number when accessing e-Reserves and Library Databases from off campus.

The Library ID Number is the long number on the back of the student photo ID.

I. Linking to HCC Library E-Reserves in a Blackboard course

Persistent links to full text materials you have on E-Reserve in the HCC Library can be found by logging into myHeartland and going to the Library tab.

From here you'll need to click on **E-Reserves**. (**image** 1)

e **E-reserves**

This will take you into Heartland Community College's Library Course Reserves Search Page. (**image** 2)

I. Linking to HCC Library E-Reserves in a Blackboard course

Click on an e-reserve material you'd like to link to. The full record view of that item which includes a persistent link to this page will appear. Copy and paste this persistent link into your Blackboard course. (**image** 5)

This is an example of a persistent link e-reserve:
https://i-share.carli.illinois.edu/hrt/cgi bin/Pwebrecon.cgi?DB=local&v1=1&BBRecID=21890

When clicked in Blackboard the persistent link will take students back to this full record view which includes the copyright notice as well as a full citation of the full text document and a full text link. Students can then click on the full text link to view your e-reserve document for that citation.

II. Linking to Full Text Library Database Articles in a Blackboard course

From the Heartland Library full text article database Academic Search Premier you can link to full text articles in Blackboard.

Log into myHeartland and click on the library tab. From here choose **Magazines & Journals**. (**image** 6)

This will take you to the listing of article databases available to Heartland Community College students, faculty, and staff. Choose **Academic Search Premier** at the top of this list. (**image** 7)

Magazines & Journals

Full Text Resources & Blackboard

II. Linking to Full Text Library Database Articles in a Blackboard course

Type in your search term(s) and under Search Options click the check box next to Full Text (if it isn't already). Then click Search. (**image** 8)

On the search results page click on an article title. The full record view will provide a persistent link to this record which you can copy and paste into your Blackboard course providing students a link to this citation. (**image** 9)

This is an example of a persistent link in Academic Search Premier: http://search.ebscohost.com/login.aspx?direct=true&db=aph&AN=31967857&site=ehost-live
